To Tax group

Rental property is a hard business. Risk is high with a small return and tenancy law protecting only the tenants.

Landlords pay tax on income from the rental property already and also they employ tradies, agents and managers. Why can't everybody see that. I will personally sell all of my properties as it is not worth the hustle. Equity does not exist anymore as property prices are coming down so implementation of the tax will cost more than collected tax.Ridiculous.
My friends with rental properties all told me that they will pass all the tax increases to the renters. Ultimately you will punish renters as their rent will go up significantly and it will be a shortage of rental properties.You will acheive the opposite of what you want to achieve.
Labor party does not want to encourage the business and hard working people. I will be better off sitting on a doll. People under Labor are rewarded for laziness.

Disappointing work tax group.
